INVITATION

PLEASE JOIN US IN
MALAYSIA
4TH – 5TH FEBRUARY 2027

Dear Colleagues

On behalf of the organizing committee, it is our great pleasure to invite you to attend the 6th International Dental, Advanced Dentistry, Oral Health Conference & Exhibition, scheduled to take place on February 04–05, 2027, in Kuala Lumpur, Malaysia.

This prestigious international conference aims to bring together leading dentists, oral health professionals, researchers, academicians, and industry experts from around the globe to share knowledge, discuss innovations, and explore advancements in the fields of dentistry and oral healthcare.

The conference will feature:

- Keynote and plenary sessions by renowned experts
- Scientific presentations and poster sessions
- Exhibitions showcasing the latest dental technologies and products
- Networking opportunities with global professionals

Your presence at this event would be a valuable addition, contributing to meaningful discussions and collaborative opportunities within the dental community.

We warmly encourage you to participate as a delegate, speaker, exhibitor, or sponsor, and be part of this dynamic and enriching experience.

For further details regarding registration, abstract submission, and conference agenda, please feel free to contact us.

We look forward to welcoming you to Kuala Lumpur for an inspiring and impactful conference.

With Best Wishes,

Catherine

CONFERENCE REGISTRATION

Speaker Category

The speaker category allows professionals to present research and share expertise with a global audience. It provides opportunities to showcase innovative ideas, clinical insights, and engage in discussions while building collaborations and enhancing professional visibility in the dental community worldwide.

Poster Category

The poster category enables participants to present research in a visual format and interact with peers and experts. It supports sharing ideas, clinical cases, and findings while gaining feedback, recognition, and contributing to knowledge exchange within the global dental community effectively.

Delegate Category

The delegate category is ideal for individuals who wish to attend sessions and gain insights into modern dentistry. It offers access to expert presentations, latest research, and networking opportunities, helping participants enhance knowledge, skills, and professional connections in the dental field globally.

Student Category

The student category provides an opportunity for learners to gain exposure to dental advancements and research. It allows participation in sessions, interaction with experts, and knowledge building while supporting skill development, academic growth, and networking for future career opportunities in dentistry worldwide.

Group Members Pass

The group members pass is designed for teams and organizations attending the conference together. It offers a convenient and cost-effective way to participate while encouraging collaborative learning and networking.

Information

Your Growth Starts with 30 CPD & CME Credits

The term "continuing medical education," or 30 CME, refers to learning experiences that help doctors keep their knowledge, skills, and professional relationships up to date, develop them, or improve them so they can better serve their patients, the general public, or the profession.

BDA
British Dental Association

The term continuing, or continuous, professional development (CPD), is used to refer to any form of learning you do to better your knowledge, comprehension, and experiences in a certain field. It is an acronym for continuous and planned learning and development. It emphasizes what you learn and how you grow, but it could also involve a formal method for documenting it.
