

EHS ICCOD 2026

**3rd EHS International Critical
Care and Organ Donation &
Transplantation Conference**

11 – 13 September 2026

InterContinental Festival City, Dubai, UAE

managed by

Welcome To EHS ICCOD 2026

Mission & scope

EHS International Critical Care and Organ Donation and Transplantation Conference mission is to advance critical care medicine and organ donation and transplantation through excellence in education, research, ethical practice, and multidisciplinary collaboration.

To achieve this mission, EHS ICCOD is committed to promoting the highest clinical and ethical standards among intensivists, transplant specialists, and allied professionals across the region.

EHS International Critical Care and Organ Donation and Transplantation Conference provides a platform to learn evidence-based advances in critical care and transplantation, and to strengthen donation programs that save more lives.

Welcome Message

DR. SUMAYA ALZAROONI
Conference President

DR. SUAD SAJWANI
Co-chair of the Conference

Dear Colleagues, Friends, and Partners,

It is with great pleasure and honor that we invite you to attend the 3rd EHS International Critical Care & Organ Donation and Transplantation Conference, to be held at the prestigious InterContinental Festival City, Dubai, UAE.

This exceptional event marks a significant milestone in the field of critical care and organ transplantation, as we come together to explore the latest advancements, foster collaboration, and shape the future of these vital medical disciplines.

The conference will showcase nationally and internationally renowned faculty and content sessions focusing on the most up-to-date, evidence-based advancements in critical care medicine and organ transplant.

The organizing and scientific committees have curated a remarkable program that will feature renowned experts, thought-provoking keynote presentations, interactive panel discussions, hands-on workshops, and engaging poster sessions.

Dubai, a global hub for medical innovation and research, serves as the perfect backdrop for this conference.

Your participation in this landmark event is crucial, as your expertise, insights, and collaborative spirit will be instrumental in advancing the field and addressing the pressing challenges faced by healthcare professionals worldwide.

We cordially invite you to join us at the 3rd EHS International Critical Care & Organ Donation and Transplantation Conference, where we will collectively explore, innovate, and forge a path towards a healthier future.

We look forward to welcoming you to this exceptional gathering.

Best regards,
